How to use your resume?

So now you have received your resume, how do you use it?

It will be in a pdf format that you will be able to upload to any job searching site.

It will be saved as your first and last name, resume so this way when you upload it, it will already be named correctly.

Once I send it over, everything else is pretty self explanatory!

Any additional questions or concerns?
Happy to answer anytime.

How to use your cover letter?

So now you have received your cover letter, how do you use it?

It will be in a Word document that you will be able to upload to any job searching site.

The Word document will come with highlighted spaces for you to fill in as necessary.

It will be saved as your first and last name, cover letter so this way when you upload it, it will already be named correctly.

Once I send it over, everything else is pretty self explanatory!

Any additional questions or concerns?
Happy to answer anytime.

What else we offer?

As much as we don't want to say goodbye...
we won't!

We'll just say we'll see you later!

There is plenty else for you to book for us with.

- Cover Letters
- Resume
- LinkedIn Bulding
- Website building
and even...
- Buisness Plan building!

Any other services you think we can offer?
Please let us know!

See you soon!

We just want to say thank you again for trusting in BTM Enterprises to get your creation made. We appreciate your business and we hope to see you again and work in the future!

If you need anything else, please don't hesitate to reach out.

-Sincerely
